Dear Parents / Carers

Post-Government Announcement Coronavirus (COVID-19) Update

Hello from Solihull Academy. Apologies for contacting you again but since the government announcements on Monday we have had to put revised plans in place.

Based upon new government guidelines for lockdown announced last night our plans are now as follows:

From today, Wednesday 6 January 2021 all Year 9-11 students will be having home/remote learning until February half-term. Face-to-face provision will only be available on-site for vulnerable students and the children of critical / key workers.

Please note that the school bus service (T2 Claribel's) and the taxi service operated by Lea's Travel will operate as normal for those pupils who will require them to travel to and from school.

EXAMS: January/February exams are still going ahead, the exam(s) and dates are as follows:-

- Thursday 7 January 2021 (AM Exam) – Mathematics iGCSE Paper 1
- Thursday 7 January 2021 (PM Exam) - BTEC Health and Care Unit 1
- Wednesday 13 January 2021 (PM Exam) - Maths iGCSE Paper 2
- Wednesday 3 February 2021 (AM Exam) - BTEC Applied Science Unit 1

This was a government decision for exams to continue and we are, therefore, going to run exam(s) and invite our student to attend as planned.

Once again, we appreciate these changes will have an impact on you and your family and it is far from an ideal scenario, but we will keep in touch with any updates as the situation develops.

If you have any queries regarding:

- Your child's home/remote learning
- If you and your child require an on-site critical worker or vulnerable student provision
- Any comments, questions, concerns or feedback

Please do not hesitate to contact us via the following methods; e-mail: **senquiries@sa.solihull.sch.uk**, telephone: 0121 709 5420 or via the school mobile number on 07949 183363.

Thank you for your continued support in these very difficult circumstances.

Yours sincerely

A handwritten signature in black ink, appearing to read 'S Steinhaus', with a large, sweeping flourish at the end.
